FIFTEEN CENTS

Grade School District Is On Probation

Antioch Grade School District 34 will be placed on probation by the state of Illinois as of July 1, 1975.

Representatives of a state "visitation committee" studying the district gave three reasons:

Lack of a vocal music program, lack of an art program, and the lack of local tax support by the people.

The first two reasons can be cured by hiring a vocal music teacher and an art teacher.

The Grade School Board will try to remedy the third problem in the Saturday, Dec. 14, referendum.

That's when it is asking voters in the district to increase the educational tax rate by 45 cents per \$100 of assessed valuation (\$45 for the owner of a home valued at \$10,000.)

WHAT DOES the probationary status mean?

Supt. Henry C. Meyer said that "if the areas of deficiency aren't corrected within one year after going on probation, the state might place the district on a non-recognition status and cut off state aid.

"This is a drastic step," he said, "and is usually not done lightly, but there have been four schools in Illinois placed on non-recognition since September of this year."

Meyer said the district is losing about \$125,000 in state aid

this year "because we are not taxing ourselves as high as we must in order to get full state support under the new formula. This loss will increase each year."

"The new formula," Meyer explained, "is based on local effort and, in a way, the state is saying, 'We will match dollars with you. You do your share and we will do ours.'"

DATES HAVE been set for absentee voting for the referendum. "Walk-ins" can vote through Wednesday, Dec. 11, at the superintendent's office in the Upper Grade School. The hours are 8 a.m. to 4 p.m.

Meeting on Drug Abuse Set

"Antioch has a serious problem with drug abuse."

That is the view of Mayor Robert Wilton and a group of "concerned citizens and parents" who have called a meeting on the issue next Monday night.

It will be held downstairs in the State Bank of Antioch, beginning at 7:30 p.m.

The citizens and parents

group has been holding meetings in order to plan how it will bring the problem to the attention of the community.

Next Monday night's meeting is a first step. The public is invited.

"AT THIS meeting you will learn something of the scope of the problem and the means of helping our children avoid the pitfalls of drug abuse," a

spokesman for the group said.

Attending the meeting will be Aaron Stern, representing the National Council on Drug Abuse; Len Ludvigson, of the Lake County Council on Alcoholism, and Mary Ann Frostman of the Human Services Center in Salem, Wis.

Mayor Wilton said, "The entire nation, large and small, has now been touched by this

curse. This area of Lake County must be included."

"AS MAYOR of this fine community," he added, "I believe the time has come for us to combine all of our forces -- the school systems, the police department, all community organizations and parents. Only a complete community effort will eliminate this problem within the confines of our village."

"We must decide," the mayor said, "if we choose to live our lives ignoring the constant presence of drugs, or if we choose to roll up our sleeves and fight this menace. Now is the time to demonstrate that together we will lead the way in eliminating this problem from our community."

ASTROLOGERS KNOW!

What Kind of Driver Are You?

Does your birth date determine what kind of driver you are? Maybe, depending on your view of the current astrology fad. But the Automobile Association, a British drivers' club, has at least gone so far as to get the London Astrology Centre to work up charts especially geared to road habits.

AQUARIUS is the sign of the driver who "likes the wind in his hair."

PISCES drivers appear to be dreamy, but in reality they are

"power maniacs hiding a meek exterior."

ARIES suggests an overfondness for speed and dangerous showing off on the highway.

TAURUS car owners take extra-good care of their vehicles, polishing and touching up, but with little real love for driving them.

GEMINI drivers are just the opposite: they enjoy the going and are a bit disappointed when they arrive someplace and the trip is over.

CANCER is the sign of the "family motorist, who needs the back seat full of children to feel at home."

LEOs look to their cars as

status symbols and tend to buy a lot more horsepower than they have any real need for.

VIRGO drivers see themselves as extremely careful, always watching the gauges and quick to blame any other driver on the road for any mistakes.

LIBRAS are the nonaggressive sort it is a joy to have in other cars: "An insurance company's dream."

SCORPIO suggests quick silver, changing moods, cool and logical one moment, rash

Hospitality Night, Other Christmas Events Planned

The Chamber of Commerce & Industry's Retail Committee will sponsor Antioch's 2nd annual "Hospitality Night" on Thursday, Dec. 5.

The purpose of "Hospitality Night" is to display Antioch's Christmas Spirit.

Participating stores will be serving refreshments, cake and cookies and coffee or punch.

Individual stores may also hold prize drawings and give gifts.

The Chamber will provide strolling carolers and a Santa Claus who will walk through the shopping area distributing candy. Participating stores will be displaying window banners.

Hospitality Night will also serve as the beginning of

Christmas store hours -- staying open until 9 p.m. Monday through Friday and also opening on Sunday.

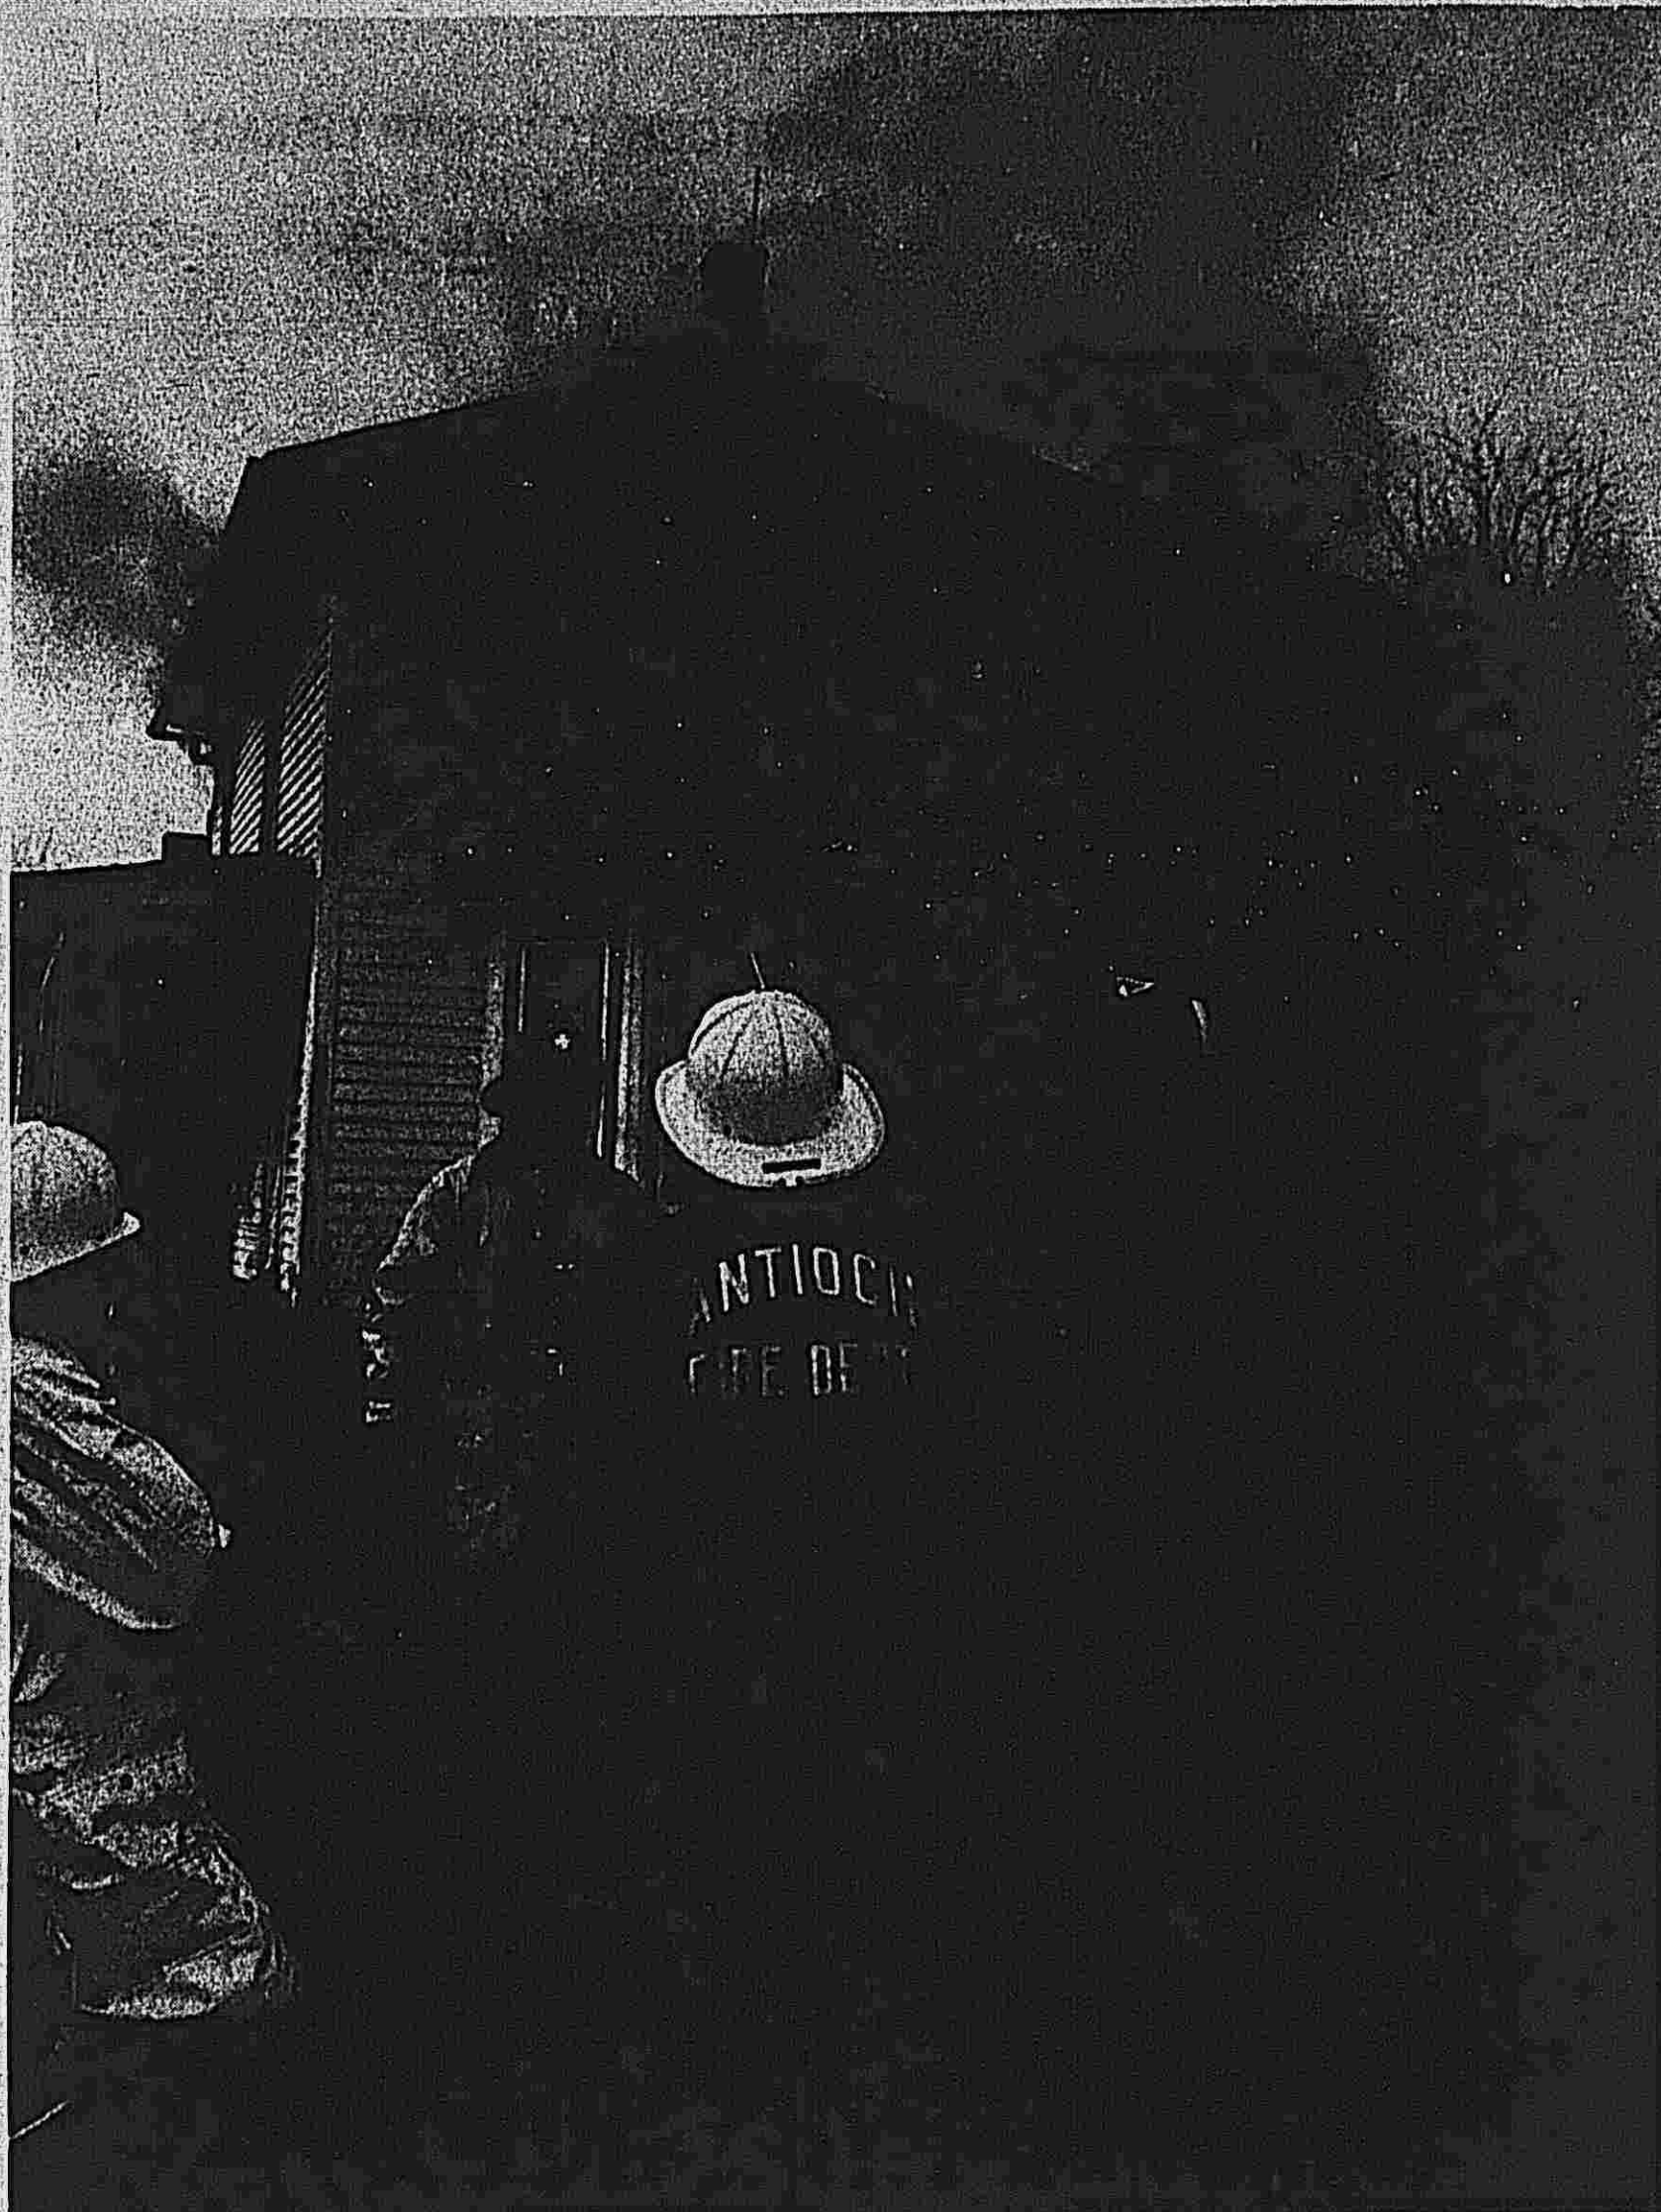

Other Christmas activities planned by the Chamber include Santa's visit and the children's Christmas play at the PM&L Theatre.

This year Santa will arrive in Antioch by fire truck on Saturday, Nov. 30 at 12 noon. From 12:30 to 5 p.m. he will visit with youngsters at the Rescue Squad Building.

The PM&L Theatre, in cooperation with the Chamber, will again be providing two performances of a children's play on Nov. 30. The tickets will be free and available from the State Bank and First National Bank this Friday and Saturday.

"MOST POPULAR GUY" during the Antioch Fire Department's practice session Sunday was the mannequin that was carried in and out of the house several times. It would be hidden somewhere in the old, abandoned house, a fire would be set, and a team of rescuers would have to go in, find the dummy and save it. The house on S. Main St., across from the high school, eventually was burned to the ground.

SMOKE BILLOWED from the old house on S. Main St. as the Antioch and Lake Villa Fire Departments held a "Burn-down" Sunday. Before burning it to the ground, the "smoke-eaters" set a series of small fires in the structure to gain experience in rescue techniques, extinguishing, the use of air packs and pumping water from truck to truck. They also practiced ventilation, using axes and power saws to cut holes in the roof.

ACCOUNTS WILL BE INSURED UP TO \$40,000

**BY THE
FEDERAL DEPOSIT INSURANCE CORP.**

This new, \$40,000 F.D.I.C. insurance coverage, which starts on November 27th will automatically cover existing accounts. It will also apply to new accounts, and to additions to present accounts up to the full limit.

All types of deposits we receive in the normal course of business, including Certificates of Deposit, passbook savings accounts and checking accounts qualify for this insurance.

Of course, individuals and families will be able to insure their savings for much more than \$40,000 when accounts are held in different rights and capacities. Thus you may have an individual account covered up to the full insurance limit, a spouse may have a similar account insured to the same limit, husband and wife may have a joint account insured to the maximum, either or both may have insured accounts as executors or trustee of an estate....in fact, every account held in a different right and capacity will be covered to the full \$40,000 insurance limit.

FOR YOUR CONVENIENCE....

Drive-up and Walk-up windows will be open on Wednesday, November 27th from 8:00 a.m. to 5:00 p.m.

COMMENTARY

A Modern Moral

What a temptation it is to shirk our responsibilities or pull "a fast one" occasionally if it looks like we can get away with it. The story is told of a rich man who came to a carpenter with these instructions: "I would like you to build a house for me to give to a friend of mine. Use the finest materials; the cost is no problem...."

During the months of building, the carpenter decided to build a cheaper house, charging the same price. He skimmed, using inferior materials and workmanship. Finally, he called on the rich man and presented the bill and the key. The rich man, looking through the house, seemed pleased and returned the key to the carpenter with these words, "It's your house. I wanted to build it for you in return for all you have done for me...."

The moral is plain. We are building today the type of life we will live tomorrow. Can you imagine the carpenter's feeling of shock and regret when he heard the words, "It's your house." Let's not have the same experience.

Speaking of Advertising ...

We are reminded of the classic story of William Wrigley of chewing gum fame. Wrigley was said to have been riding on a train with a friend (this was long ago) when the friend pointed to the frequent Wrigley gum signs along the right of way and adjacent highways.

"Why do you spend all this money on advertising?" asked the friend. "Your business is established, your gum is famous and the competition is almost nonexistent.

"Well, answered Wrigley, "how fast do you think this train is going?"

"Oh about 60 miles an hour," answered the puzzled friend, "Why?"

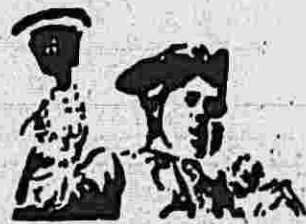

"Don't you think that is fast enough?" Wrigley said. "Why don't they just take off the engine and save all that expense?"

"The friend had no comment."

No man is good enough to govern another man without that other's consent.

THE BARRY GOLDWATER COLUMN

Democrats Caused Rampant Inflation

By SEN. BARRY GOLDWATER

Now it is time for the Democrats in Congress to put up or shut up.

They gave the American people a lot of promises about ending the nation's inflation during the campaign just concluded. They also played the GOP for not correcting the nation's ills in the six years of the Nixon Administration.

This made good rhetoric, and I'm willing to admit it garnered many votes on Nov. 5.

It helped the Democrats, at least in the House, win almost 40 seats.

BUT NOW we've heard the "last hurrah" of the 1974 campaign, and the time has come for performance.

Some — but not all — the Democrats seem to realize what they're up against. Others are still basking in the euphoria of victory.

That will end — it has to — very shortly. The electorate is something less than patient in these times of runaway inflation and skyrocketing prices. They've heard the Democrats talk for months about the off-year mandate they intended to get to end inflation. Now they would like to see it implemented as quickly as possible.

Since many Democrats didn't get very specific about the methods to be used, the voters have every right to ask the majority members of the Senate and the House how this miracle is to be performed and — what's more important — when. Needless to say, I am deeply concerned about inflation and ways and means to combat it. But it amuses me to see the Democrats squirm on this particular issue. The fact is they have no program, and they have no answers. What's more, the deficit financing they voted for and encouraged since the time of Franklin Roosevelt is the fundamental reason for rampant inflation today.

IT IS ALSO interesting to note that, as the Democrats face this responsibility, one of their weapons seems to have been taken away by a major supporter. My reference is to AFL-CIO President George Meany's opposition to the reimposition of wage and price controls.

Many Democrats feel they could always fall back on government control if they were backed into a corner on the inflation problem. Senate Majority Leader Mike Mansfield (D-Mont.) and others already

are calling for the reimposition of controls. They want to have the legislators give the White House the power to impose these controls so the Democrats will have the White House to blame if they don't work and the economic situation continues to deteriorate.

It takes more than a gimmick like this to fool a man of George Meany's experience and savvy. He called the shot the minute Mansfield made his proposal, accusing the Senate majority leader of wanting to load what he called "this depression" onto the other party.

MEANY TOLD newsmen that if others such as Sen. Hubert H. Humphrey (D-Minn.) were serious, they would introduce legislation to impose mandatory wage and price controls on their own, and provide for a bureaucracy big enough to enforce them.

Meany indicated he does not think this is the way to go. He said that, while organized labor would participate in an equitable wage-price control program, the AFL-CIO is opposed

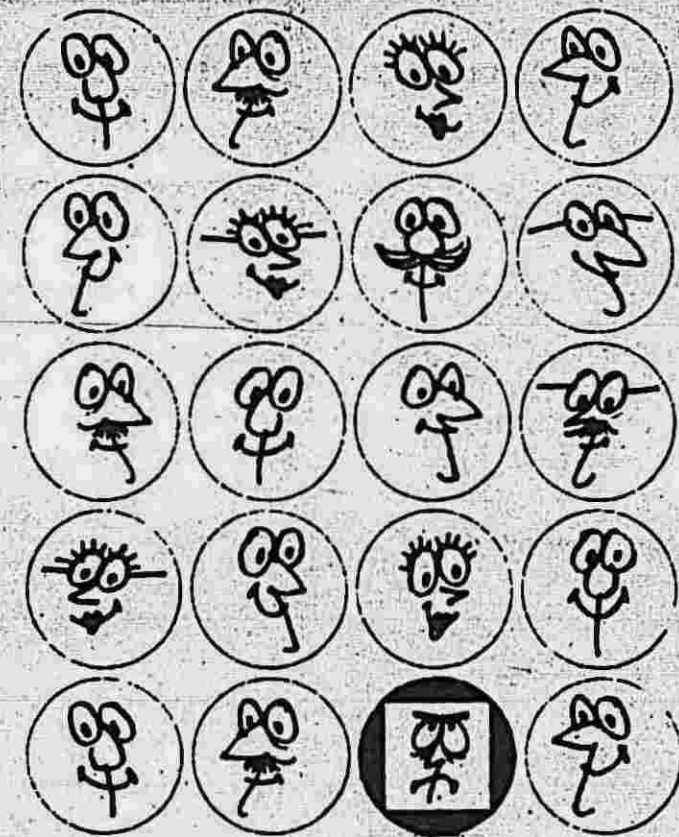

to economic curbs.

"I think the best way is no controls at all," the nation's top labor leader said.

He also challenged the idea that Nov. 5's election gave the Democratic Party a mandate. When "people get the idea they've got a mandate, they don't think straight."

"It was a vote against Richard Nixon, against Arthur Burns (Federal Reserve Board chairman), against inflation," Meany said. "I don't think it was a vote for the Democrats, and I don't think it was a mandate for the Democrats."

THE ANTIOCH NEWS HOPES YOU HAVE A HAPPY DAY.

Along the way with ANNIE MAE

A much awaited baby has arrived. Last Friday, Chris Pienke, Antioch's vivacious Chamber of Commerce secretary, gave birth to a baby boy. Albert David weighed in at 5 lbs. 4 oz. and was 18" long. The little guy will be in an incubator for a few days until he comes up to 5½ lbs. Boy Chris, you sure were a good predictor! Cris told everyone that this baby just had to be a boy. Congrats Chris - we're all very happy for you.

Mr. and Mrs. George F. Pahlke, of Rt. 4, Antioch, celebrated their 40th wedding anniversary with a dinner party held at The Dutchman on Nov. 17. After dinner the happy couple, along with friends and relatives attended a party at the home of their oldest son George.

The Pahlke's have come a long way since meeting at the Chicago World's Fair in 1934. They have three children. George (Marge) of Antioch, Richard (Barbara) of Trevor, Wis. and Sue (Jim) Hallwas of Antioch, nine grandchildren ranging in age from 2½ to 16. George is retired from Prudential Ins. Co. The Pahlke's have lived in the Antioch area for the past 21 years.

Asked if they would do it all over - a smile spread across both their faces.

Lots of get well wishes to Jean Benes who is in Victory Memorial Hospital recovering from surgery. She'll be home in a few days and is well on the mend.

Just think - Christmas is only 5 weeks away. Remember the merchants are planning a

special Hospitality Night for all you shoppers on Thursday evening, Dec. 5, from 6:30 to 9 p.m. This will begin the Christmas hours for all of the stores.

Things to mark on your calendar for the holiday season - Santa coming to town on November 30, the Messiah on Dec. 1 and 8 at the St. Benedict's Abbey; also, both the bands from both the high school and grade school will be having their Christmas programs.

Choir members and the congregation of the Antioch United Methodist Church are

anxiously awaiting the installation of their new organ promised for this Wednesday. Al Dittman, Ken Smouse, Stu Good, Bob Jones and whoever else happened along were all

very busy last Saturday preparing a platform and the front of the church for the new addition. This has really been quite an undertaking and I'm sure that everyone will sing especially well this Sunday at the services.

Lots of birthdays this week - Cathy Ann Haley celebrates on the 20th, Shawn Reeves and Ursula Haley on the 21st, Bill Dow on the 23rd, Dick Harland, Rose Kennedy and Kay Schaefer on the 24th, Lorraine Lempke and Christian DeYoung on the 25th, Marge Pahlke and that lovely little miss, Lori Jo

Rush on the 26th. Happy birthday everybody, hope you have a super day.

Mr. and Mrs. George Boyd and Virginia and Bud Howard will celebrate wedded bliss on the 23rd.

This is the week to spend all those extra hours in the kitchen preparing for the upcoming holiday. Lots of work I know, but it is always so satisfying when everyone walks away from the table moaning a little about how good it was that I just couldn't stop eating.....

See ya,
Annie Mae

The Farmers line telephone company have put in a new and larger switch board and have changed its location from the Simons house to the Osmonds furniture store.

On Monday evening the Epworth League canvassed a small section of the county and succeeded in obtaining a goodly supply of vegetables which was sent to the Methodist Deacons Orphanage at Lake Bluff.

50 YEARS AGO NOVEMBER 20, 1924

The last few weeks there has been a strong undercurrent of feeling that with all the big improvements now going on in Antioch that they will be for naught unless some means are provided to show them off. This again brings up the question of a proper lighting system.

Rudolph's Dairy, the Wisconsin Butter Store, advises mothers to "insist on milk from tuberculin tested guernsey cows. Play safe, and at the same time give the children the benefits of the greater amount of cream which it contains."

20 YEARS AGO NOVEMBER 18, 1954

The Antioch Lions club, seeking a site for its proposed community swimming pool, suggested to the village board Tuesday night that the pool be constructed in Williams Park, now under the control of the village.

The Lake Villa Grade School band will give its Homecoming concert Sunday at the school. Elmer Oelkers is in charge of the concert, a program honoring the 100th anniversary of John Philip Sousa, American march king.

10 YEARS AGO NOVEMBER 19, 1964

The Antioch Village Board authorized their engineer, Frank Angelotti, to draw up specifications for a new 12-inch well with a guarantee of 600 gallons a minute output, at a board meeting Tuesday evening. Edward Jacobs, village attorney, was asked to check with the bonding company to see whether sewer and water funds available could be used for the new well.

Keulman's Jewelry Store, 913 Main St., has been sold to George W. Hahn of Arlington Heights. The new owner took over the store last week and has planned a Grand Opening for today.

More than 150 Bill Dean fans gathered at Lorenz's Smart Country House last Sunday to pay tribute to the gifted young organist. One outcome of the party was the formation of the Bill Dean Fan Club.

Tax Savings For Senior Citizens

If you know a Senior Citizen, relay this information. It could mean a tax savings.

Completing a form for the Illinois Department of Revenue permits anyone who was 65 at the end of 1973, or disabled with a household income under \$10,000 a year, to file for a cash payment.

Apparently, very few Senior Citizens are filing. The two persons reporting locally received amounts of \$140 and \$350 each.

Information needed is total property tax paid in 1974 (1973 taxes) or total rent for 1973, and total income for 1973.

Forms are available at all Antioch schools and banks, Emmons, Grass Lake, and Millburn schools, Antioch Village and Township offices, the Lake Villa Elementary Administration office, and Lake Villa Trust and Savings Bank. They may be requested in person or by telephone.

Deadline for filing is Sunday, Dec. 15. This is in addition to filing under the Homestead Act.

The high school will be open Saturday, Dec. 7, from 10 a.m. to 4 p.m. with volunteer teachers available to help complete forms.

NOTICE

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, Lake County, Antioch, Illinois 60002, will be held on Tuesday, Nov. 26 at 7:30 p.m. in the General Office.

State Bank To Sell License Plates

SPRINGFIELD -- Over-the-counter sales of 1975 Illinois passenger license plates will officially start Monday, Dec. 2, Secretary of State Michael J. Howlett said Tuesday.

A record total of 364 banks throughout the state will participate in the license sale program. This represents an increase of 73 more than last year. Participating banks include the State Bank of Antioch and Lake Villa Trust & Savings.

In addition, 675 currency exchanges, most of which are located in the Chicago area, will sell license plates over the counter this year. Last year, banks sold 1,786,030 plates and currency exchanges 401,847.

Plates also can be purchased over the counter at three Secretary of State Motor Vehicle facilities in Chicago. Howlett emphasized that pre-printed renewal notices should be used when purchasing 1975 plates over the counter. These forms were mailed last summer to all registered car owners.

"We urge everyone to use his computer-printed form when buying licenses," Howlett added.

Bike-A-Thon Successful

A total of 110 riders in Antioch have collected \$7,870.20 to date in the 3rd Annual Family Bike-A-Thon for the American Cancer Society.

Preston Reckers, vice-president of the State Bank of Antioch and chairman of the Bike-A-Thon - Route 5, said the event held on Oct. 5 was successful for the third straight year.

About 1,500 riders participated on 10 routes in Lake County and, to date, \$45,000 has been received from 1,000 riders.

In Antioch, the first prize winner of a 10-speed bike was Rusty Miller, Rt. 4, Box 531, riding for a grand total of \$710.85 from his sponsors.

Rusty accepted his bike, donated by the State Bank of Antioch, and promptly turned it over to the Antioch Rescue

Squad, in memory of his brother Ron Miller, for raffle at the Lions Farmer's Picnic and Auction next summer.

SECOND PRIZE, a 10-speed bike donated by the Shoe Box, Orchard Plaza, was won by Robert J. Barnes Jr., 634 Hillside Ave., Antioch, with sponsors' donations totaling \$670.70.

Third prize winner, Eugene Zannini Jr. of Rt. 3, Box 225, Antioch, won a 10-speed bike donated by Walsh's All Seasons, by riding for \$565 from his sponsors.

The American Cancer Society's program of research, education, service and rehabilitation will be advanced by the "bike for bucks" which was participated in by families who rode this year. In Antioch, Mark Gerhardt, 519 Northgate, Lindenhurst, rode 70 miles for Cancer; this is the most miles ridden by anyone on the Antioch route.

Another TOP for Antioch is the top amount raised in Lake County by Mr. Reckers, riding seven miles with sponsors' donations of \$1,130. Mr. Reckers is not accepting a bike for his efforts.

All Antioch Bike-A-Thon riders who have not turned in their proceeds from the Oct. 5 ride are urged to do so by Dec. 12 in order to be eligible for a fourth prize, 10-speed bike which was donated by Antioch Bowling Lanes.

Emmons Honor Roll

The following students have attained honor roll status for the first nine weeks grading period.

In order to be on the Honor Roll, a student must have at least 2 "A's and 2 "B's or 3 "A's and 1 "C" in the four academic subjects. In character traits, no grade of "U" will be allowed for the Honor Roll. In order to receive a year end award, a student must be on the Honor Roll three times.

Eighth grade: Richard Beck-

er, Thomas Connelly, Carole Duha, Scott Gallagher, Denise Grohs, Patty Gross, James Kuligoski, David Volling, Debra Wilson.

Seventh grade: David Berchtold, Jean Cilik, Michaelle Delpeschio, Laura Dubek, Sue Dyer, Michael O'Brien.

Sixth grade: Mary Ann Cilik, Mitchell Kruczek, Larry Kuligoski, Kathy Miller, Gary Volling and Peter Weber.

PM&L Presents Family Holiday Show

PM&L will present "Mickey" as its family holiday entertainment. Mary Chase, the playwright who created "Harvey," the invisible rabbit, has fashioned an imaginative play, combining the talents of live actors and the skills of puppetry.

The entire family will delight in following Mickey through adventures with the Countess, the General, the Sir Edward, puppets who live in a lovely castle on the hill.

Will Mickey come back home

to live with her mother, brother, and sister or will she instead become a puppet and live forever with the Countess, the General and Sir Edward in their enchanted palace? Attend one of the performances at the PM&L Theatre, 877 Main St., Antioch on Dec. 7, 8, 14 or 15 at 7:30.

Ticket prices are \$.75 for children and \$1.25 for adults. The show is included on this year's season ticket. For reservations call 395-9702, Monday through Friday, 7:00 to 9:00 p.m.

Abbey Hosts Messiah Concert

The beautiful new sanctuary of the Benedictine Abbey Benet Lake, Wis. will be the setting for this year's presentation of Georg Frederick Handel's "The Messiah."

Two concerts will be presented. The first will be on Sunday, Dec. 1, at 8 p.m. and the second will be the following Sunday, Dec. 8, also at 8 p.m.

Featured soloist for this year's production are Mary Chris LaKome, soprano; Eva Harper, contralto; Ralph Brooke, tenor and Bernard Izzo, bass.

Tracy Teltz will accompany the soloists and chorus on piano and Mary LaKome will serve as organist. The concert is under the direction of Ken Smouse.

Daktar

Daktar, a dramatic, true adventure story, will be shown at The Antioch Evangelical Free Church, Tiffany Road & Highview Drive, Antioch, Ill. at 7 p.m. on Nov. 24.

The film tells the story of Nebraska surgeon, Dr. Viggo Olsen whose adventures during the war between India and Pakistan earned him the title "Diplomat in Bangladesh." With few facilities and often using crude homemade instruments, this compassionate doctor from Nebraska saved countless lives through skilled surgery and masterful medical treatment.

Daktar is a new release from

Gospel Films, Inc. of Muskegon, Michigan.

Hot Rod Auto Show

The 1974 Hot Rod And Custom Car International Championship Auto Show opens in Chicago's McCormick Place on Friday, Dec. 6 for three days through Sunday, Dec. 8. One of the many attractions at this year's show will be The Barber Car.

The Barber Car is a mobile hair cutting vehicle combining the look of yesteryear with the blown dry hair look of today with speeds at marks up to 150 m.p.h.

COMMUNITY RELATIONS OFFICER

'Caring and Understanding'

By LT. TIM ZELINSKI
Antioch Police Department

Editor's Note: For the last few months Sue Sedivec, Community Relations Officer for the Antioch Police Department, has been writing a column for The Antioch News. In it, she has told us about some of the men and women who dedicate their lives to law enforcement in this community. But Sue doesn't know about this surprise article, in which Lt. Tim Zelinski turns the tables on her and tells about her role in the community.

In the past year, a name has become very popular in a lot of homes in the Antioch area. A large percentage of these homes have children from 6 to 17 years of age, but the other percentage are adults. The name I am referring to is Sue (Suzie) Sedivec.

Sue has been employed by the village of Antioch since June 12, 1973; first as a dispatcher with the police department, and since Jan. 1, 1974, as Community Relations Officer. Her office is in the police department on Main St.

While this position keeps her busy all week, Sue is always available to help as a dispatcher if one of the regular girls is sick or away for personal reasons.

WE NOW have established that a girl named Sue works for

SUE SEDIVEC

the village of Antioch. Now, a little about her background:

Sue is 24, and she and her parents, Dr. and Mrs. Sedivec, have lived in Antioch Township for the majority of her growing-up years. She has a twin brother, George, and an older brother, Robert. (Sue attended St. Peter's grade school and graduated from Carmel High School in Mundelein. She then attended Stout State University for one year in Menomonee, Wis. and Northern Illinois University in DeKalb for three years, earning a degree in sociology. Sue is interested in all phases of sports, including golf. Her interest in sports showed up this summer when she organized a girl's softball league. She is now actively taking part in a volleyball league which she also organized for the children of the community.

School officials show no surprise when they see her on their property - she has a busy schedule which includes visiting all the schools, giving talks, explaining her ideas for "youth involvement," and just generally being there when needed.

THE DISPATCHERS at the police department also show no surprise when a youngster or teenager comes into the station and asks to see Sue. This is now an accepted thing. There is no way to determine the percentage of how many people are coming in to see Sue and discuss a problem they may have; or whether they are coming in just to say "Hi, how are you?"

One of Sue's signatures on personal notes is the well-known "smile" face. This fits her very well, as it describes her disposition: happy, always available to those who need her, whether it be during office hours or after she has gone home - possibly expecting to relax, and then finding that someone "out there" needs a shoulder to cry on.

I think it would be a little strong to say that our community could not get along without Sue, but without a doubt I can honestly say that the majority of Antioch residents are now more aware of how a little guidance, a little caring and understanding, can enhance the growing years of the youth of this community. And this is what Sue is all about.

Costoff-Periman

On Sept. 7, Dianne Rose Costoff, daughter of Mr. & Mrs. August Costoff of 549 Garys Drive, Antioch, became the bride of Terry Lee Periman, son of Mr. and Mrs. Russell Periman of 200 Slocum Lake Road, Wauconda.

The couple exchanged vows before Rev. Father Johnson at an afternoon high-mass at St. Peter's Church in Antioch.

The bride's Bianchi white wedding gown was of reembroidered alecon lace on English net. The empire bodice had a mandarin neckline, long narrow sleeves and an A-line skirt, the border of which was heavily laced and pearled. The train was Cathedral length. She wore a Juliet cap of matching lace and pearls which held a tier of lace edged illusion and a cathedral length veil.

Thomas Periman of Wauconda, the groom's brother, was

the best man and Mary Ring of Antioch was the matron of honor. The bridesmaids were Holly Bartlett of Antioch, Nan Heller - Arizona, Jan Clark - Texas, Suzie Waugh - Iowa, Susan Vannote - Decatur, Debbie and Linda Basili, the bride's cousins, were the junior bridesmaids.

The groomsmen were Kurt Kampendahl of Wauconda, Michael Costoff - Antioch, Jim Wilson - Island Lake, Rick Geiselman - St. Louis, Paul Bird - Wauconda, Kevin Taylor - Wauconda and Rick Celestine - Waukegan. The flower girl was Theresa Papa and the ring-bearer was Christopher Costoff, both the bride's cousins.

Dinner and dancing for 350 guests were held at the Starlight Inn in Schiller Park.

The newlyweds honeymooned for two weeks in Hawaii and Las Vegas and are now at home in Antioch.

"A Real Community Convenience Store"

The Town Crier

I have finally figured it out. The parking spaces in the municipal lot on Broadway (by Bits 'n' Pieces Carpeting) were painted by a Volkswagen salesman.

Really, the trouble is that the spaces are only seven feet wide and the average car is about six-and-a-half feet wide. (And that's before you open the door and try to squeeze in or out.)

FORECASTERS ARE warning us that we're in for a hard winter. You mean there is such a thing as an easy one?

WE HAVE the feeling that E. J. "Chick" LaMagdeleine is going to be an excellent sheriff for Lake County.

But just for the record, Antioch's choice was Republican Pat Clavey. Our six precincts gave Clavey 1,638 votes to 1,232 for LaMagdeleine. Senator Adlai E. Stevenson won easily in Illinois over his Republican opponent, George Burditt. But Antioch gave Burditt 1,494 votes and Stevenson only 1,348.

ONE TIME when Antioch proved it was smarter than the rest of the country was in 1964 when it gave Sen. Barry Goldwater a larger vote than President Lyndon Johnson, even though Johnson was winning by a landslide around the nation.

An article in the October issue of Reader's Digest said:

"A recent Gallup poll of the American people reveals that for them Arizona Senator Barry Goldwater is one of the world's 10 most admired men.

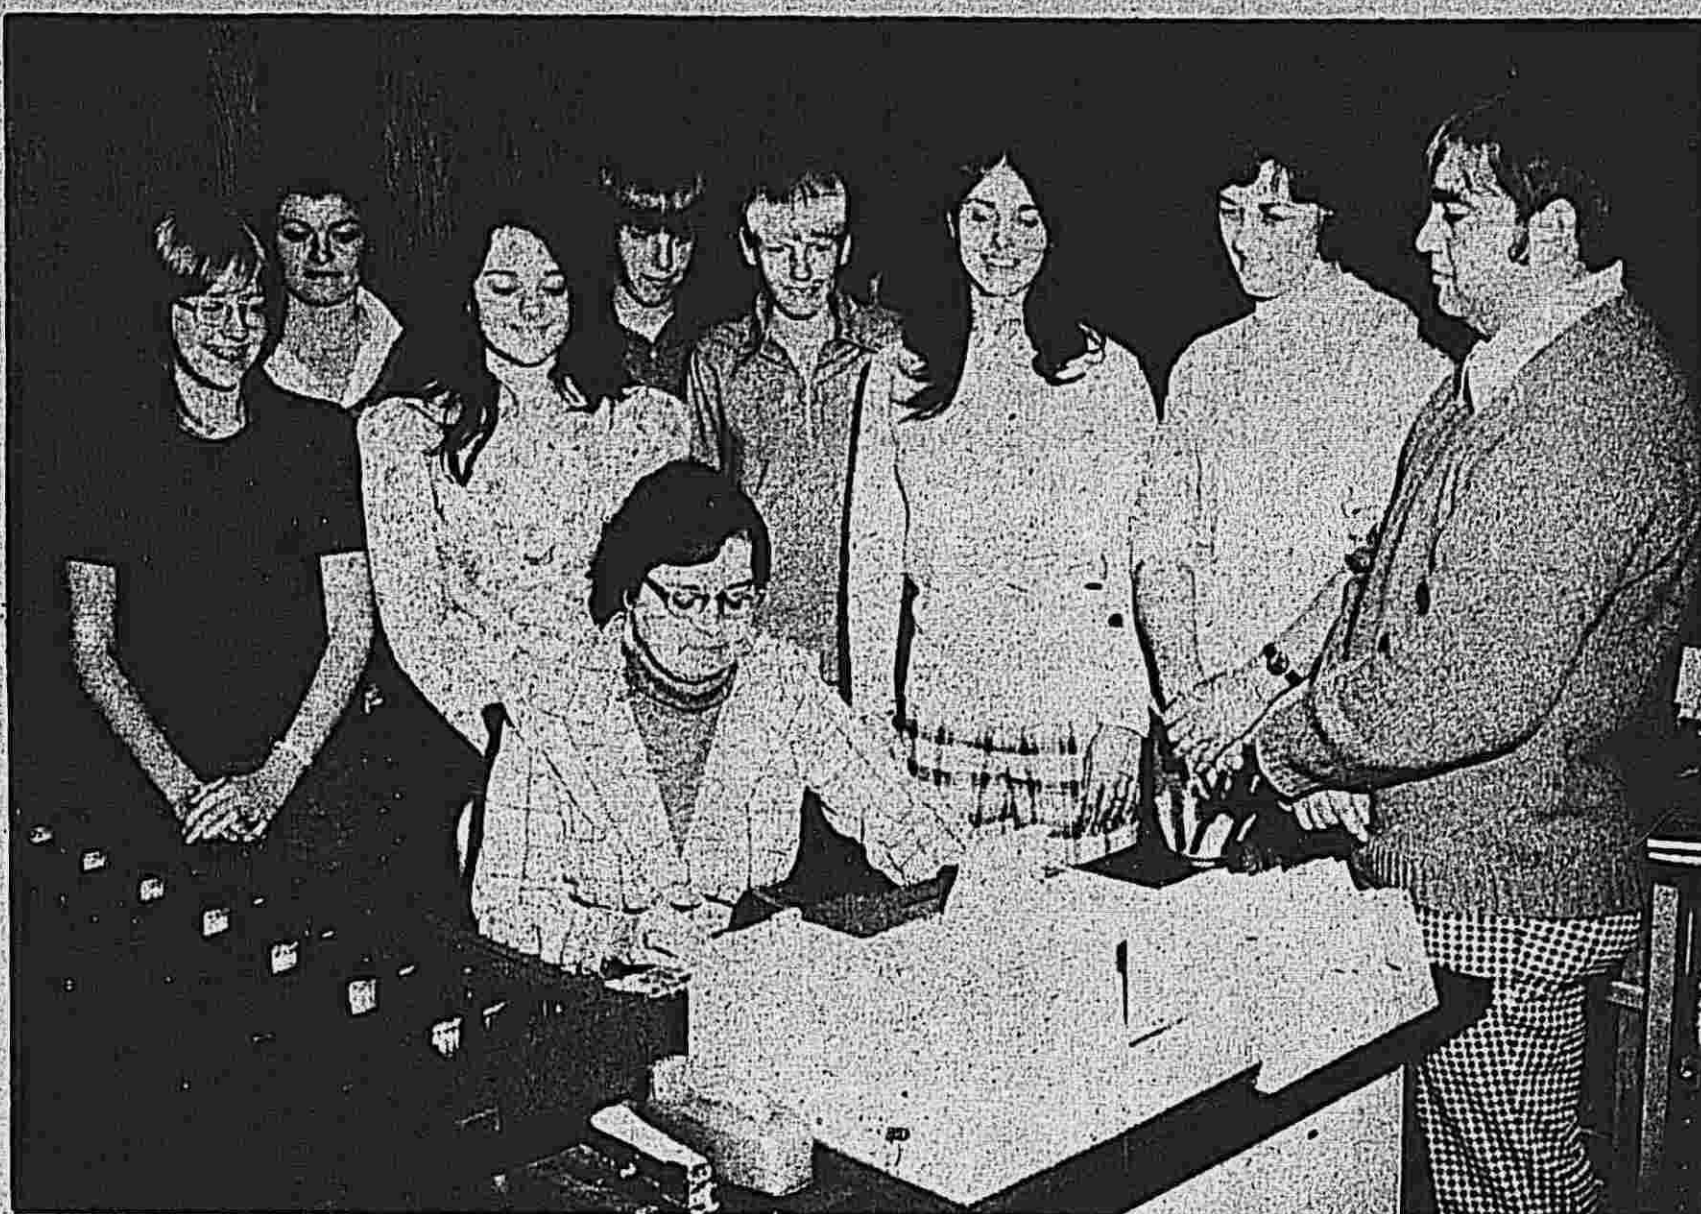

"He is described in the New York Times 'as one of the few political heroes left in the United States.' There have been few events in our political experience to match this profound and appreciative re-evaluation of a man's worth. A politician who once seemed headed for the dustbins of

history, he has now emerged, for many, as the conscience of Congress — a man who can be counted upon to stand up and speak the truth."

In his campaign for the Presidency, he was accused of being at once an "Adolf Hitler" (George Meany, president of the AFL-CIO) and "the closest thing in American politics to Russian Stalinism" (Senator Fulbright). President Johnson called him a "raving, ranting demagogue."

Goldwater himself was later to say, "The whole campaign was run on fear of me — in fact, if I hadn't known Goldwater, I'd have voted against the s.o.b. myself."

They had another one of those weekends in Chicago. Let's see, the final totals were: San Francisco 49ers 34, Chicago Bears 0; Shootings 57, and Murders 19 (18 by gunfire and 1 by stabbing). It's getting harder and harder to be a Chicago fan. Hear ye!

SEVENTH AND EIGHTH GRADE STUDENTS from Grass Lake School recently toured the facilities of the State Bank of Antioch. Mr. Tom Kedzie, auditor of the bank, and Mrs. Jeannette Palusis, assistant auditor, gave the group a comprehensive demonstration of banking functions. Included were the teller area, new account and loan offices, vault, 24-hour cash card machine and the processing of transactions through the

proof machines in the bookkeeping department.

Mrs. Palusis is shown demonstrating the proof machine to (from left) Judy Wagner, Mill Pamela Friedrich, eighth grade teacher; Sandy Motley, Kevin Walsh, David Madden and Mrs. Judy Carmody and Mrs. Susan Lloyd, seventh grade teachers, with Mr. Kedzie at right. Refreshments were served during a brief question and answer session following the tour.

Woman's Universe Expo '74

Woman and the celebration of her life style is the theme of the second annual Woman's Universe Expo '74 opening at McCormick Place, Wednesday, Dec. 11 through Sunday, Dec. 15, 11 a.m. to 11 p.m. daily.

General admission, which covers all events, is \$2, children under 12 are admitted free.

Sex Education Talk Thursday At St. Peter's

An authority on sex education, Dr. Franklin Fitch, will speak at St. Peter's school at 8 p.m. Thursday.

The former executive director of the Illinois Institute for Sex Education will talk to parents about the various phases of social health.

Until 1967 Dr. Fitch was an associate professor of dermatology at Northwestern University, where he served as a consultant on venereal disease.

He was appointed in 1965 to the Illinois Sex Education Advisory Board and helped formulate policies for sex education programs in Illinois public schools.

Parents and friends of St. Peter's school have been urged to attend and bring neighbors who might profit from the lecture.

Free advice is seldom worth it.

Requests for mail ballots must be made by Monday, Dec. 9.

Parent volunteers are working at the Upper Grade School library between 7 and 9 p.m. this week, through Thursday, to bring voter registration lists up to date. Mr. Meyer said more volunteers are needed.

A SPECIAL MEETING has been called by School Board President Gerald Vander Meer for Tuesday, Nov. 26, to discuss the referendum and explain it to the public. The meeting will begin at 7:30 p.m. in the A.V. Room of the Upper Grade School and the public has been urged to attend.

At last week's meeting, the board voted \$1,000 to enclose the principal's office at the Lower Grade School and agreed to spend \$1,500 for doors for the new shop building.

Approval also was given to install an inter-communication system at the Oakland Grade School at a cost of slightly more than \$4,000. Because of the four portable buildings being used at Oakland, the communication system is needed for the safety of students in case of an emergency.

Sequoit Basketball Only 7 Days Away

By JERRY PFARR

The Antioch High School basketball season is only seven days away and the fans can hardly wait.

They remember the thrills of last winter, when the Sequoits were 13-0 in the conference and 22-6 for the season.

And this season could be just as good.

Gone are such stars as Vic

McGuire, Mark Andrews and Mike Gutowski. Coach Roger Andrews admits they will be hard to replace "but other kids come along."

Returning are two starters, Mike Perrone and Russ Albano, and two other lettermen, Kevin Walpole and Mike Witt.

THREE GAMES will be played next week in the Barrington tournament. The

games will be on Wednesday, Friday and Saturday nights and the opponents will be Barrington, Cary-Grove and Elgin Larkin. The pairings haven't been set yet, but they will appear in next week's newspapers.

The Sequoits will play an intrasquad game tonight (Wednesday) at 7 o'clock. It is open to the public and Coach Andrews figures it will help determine a starting lineup for the Barrington tournament.

Among the lettermen, Albano is 6-4, Perrone 6-3, Walpole 6-1 and Witt 6-2.

There is a lot of other talent in the Antioch camp. Two seniors, George Pierce and Bruce Tossey, and 12 juniors round out the squad. The juniors are Tom Sedar, Tom McAvoy, Jeff Eder,

said. But he still likes his team's chances this season.

In the 10-team conference he rates his Sequoits along with Grant, Cary-Grove and Warren as the top possibilities.

This year's Sequoits will run a lot, Andrews said. "We'll hustle everything and hurry the ball to put more pressure on the defense."

AFTER THE three games at Barrington the Sequoits will get ready for a Friday, Dec. 6 game against Lake Zurich. That will be the home opener with sophomores performing at 6:45 p.m. and the varsity at 8 o'clock.

At Barrington the sophomores, coached by Gary Allen, will play afternoon games on the three days.

Jon Bodin, Bob Dubek, George Ferguson, Tim Sheppard, Mitchell Witt, Scott Kimball, Tom Gutowski, Steve Kane and Dave Wurster.

Kimball is 6-3 and Dubek is 6-2. Antioch doesn't have a big man.

"IF WE HAD someone 6-6 we'd really be tough," Andrews

SPORTS

Sophs Give Out Awards

The Antioch High School sophomore football team has selected its outstanding players.

The squad voted its "most valuable player" award to Rich Dauck, a linebacker who was credited with taking part in 92 tackles during the season.

He also knocked down 12 passes and intercepted seven.

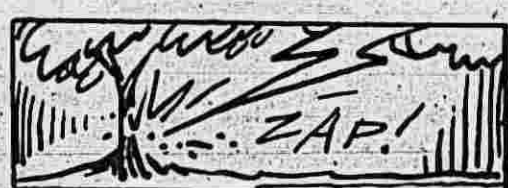

Jerry Schmidt was elected most improved player; John Kakacek, outstanding defensive back; Wally Walraf, outstanding back, and Don Norwick, outstanding defensive lineman.

Norwick was elected honorary captain and Dauck won the outstanding offensive lineman award for his performances in that area.

Todd Teneyck led ball carriers with 409 yards in 121 tries. He and the No. 2 ball carrier, Wally Walraf, each scored five touchdowns.

Brian Andrews led in passing yardage, completing 15 for 214 yards, and Mark Stewart completed seven passes, three of them for touchdowns.

The sophomores had a 6-3 record for third place in the conference.

In Maryland it is said that a toothpick made from a splinter of a tree struck by lightning will cure toothache.

Antioch Groups Receive Bowling Contest Money

Joe Sterbenz, co-owner of the Antioch Bowling Lanes, presented checks Saturday to Jim Koppa, representing the Antioch Rescue Squad, and Bernie Gutowski, representing the Antioch Fire Department and the Antioch Little League.

The checks represent the proceeds of the 1973 "Beat the Champions" contest sponsored jointly by the Chicago Sun-Times and the Chicago area Bowling Proprietor Associations.

"Beat the Champions" competition is held annually and is

the only charity event at participating lanes. All proceeds are distributed to each establishment's favorite charities on a percentage basis.

Essentially, the competition involves adult league bowlers, using their league score of a specific week, competing against scores shot by the ABC Masters champion and the WIBC Queens champion in a special match.

The amateur league bowler naturally receives a handicap in his competition against the pro. Top bowlers in each establishment receive trophy awards and go on to sectional and finals competition. Rollie Schleuse-

ner, of the Antioch Chain O'Lakes Mixed League, placed 16th in the overall 1973 competition and was awarded a bowling ball and bag.

Plans are underway for the 1974 "Beat the Champions" contest. League bowlers will use their scores of the week of Dec. 8-14. These scores will be pitted against a special series bowled by Paul Colwell, ABC Masters champ, and Judy Soutar, WIBC Queens champ, between Dec. 15 and 21.

It is the hope of Antioch Bowl that the 1974 charity contributions from "Beat the Champions" will be the largest ever," Sterbenz said.

DAN WALSH

Dan Walsh's Team Goes Unbeaten

PELLA, IOWA -- Dan Walsh of Antioch is a member of the 1974 Central College football team which ended a perfect 9-0 season, becoming the only undefeated college or university team in the state of Iowa.

The victory over William Penn College in the final game extended Central's winning streak to 13 games.

The Flying Dutchmen captured the Iowa Intercollegiate Athletic Conference championship and are awaiting news of a possible NCAA post-season playoff berth.

Walsh is the son of Mr. and Mrs. James Walsh of Rt. 2, Antioch. He is a senior at Central College and plays linebacker.

SPORTSCOOP

Remember a few weeks ago when you were disgusted with Green Bay Packer Coach Dan Devine for making the John Hadl trade?

How's it look to you now?

The way Hadl helped the Packers to their 19-7 upset over Minnesota hints that Green Bay just might win its four remaining games and finish with a 9-5 record.

And save Devine's job.

Everyone from Wally Phillips to Bart Starr (who is waiting around for Devine to get fired) criticized the trade for Hadl.

The Packers gave up a lot of future draft choices, but what would those choices have meant to Devine? He wouldn't have been around to enjoy them.

Devine had to do something

right now. He did it, and so far he's looking pretty good.

MEANWHILE, Chicago Bears Coach Abe Giron is getting ready for a new career ... apparently as a ballroom dancer.

Reunion Planned

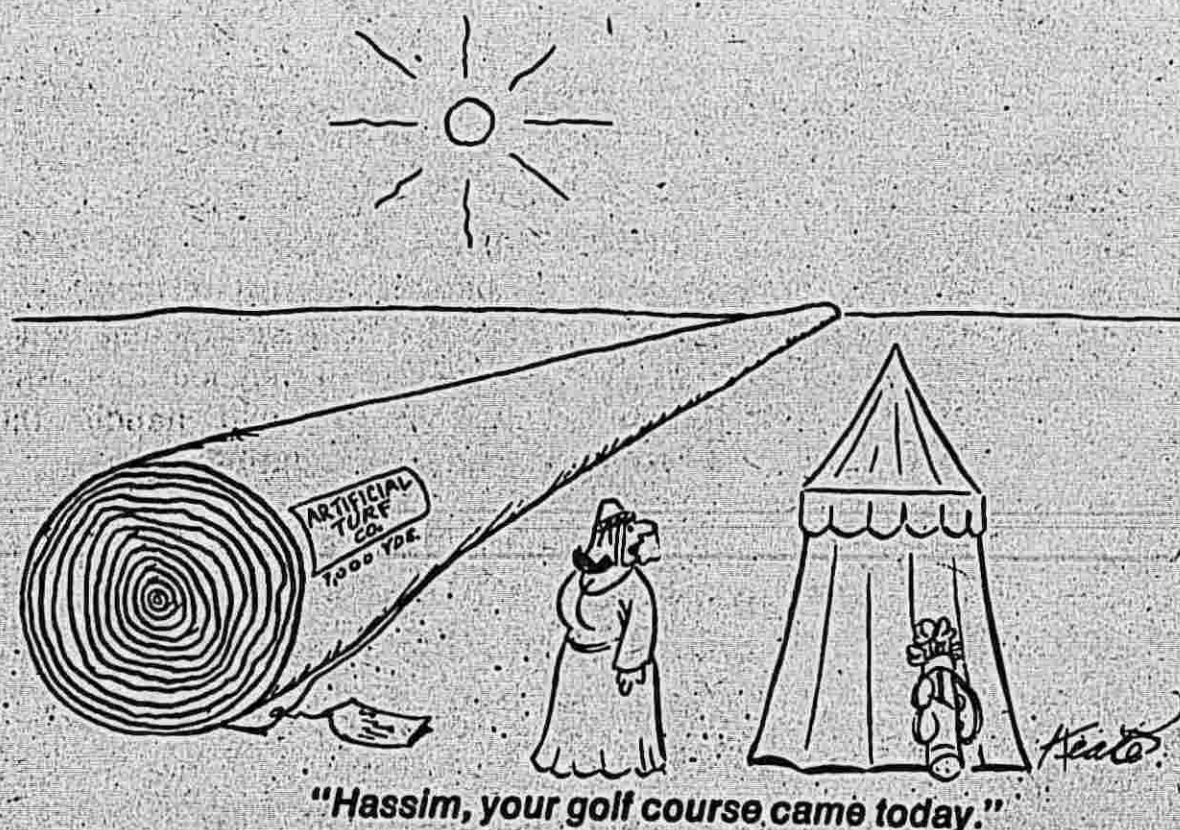

The Class of 1955 will hold a meeting for their 20th reunion on Monday, Nov. 25, at 8 p.m. at Judy Romer Nauman's home on Beach Grove Rd. and First St. in Antioch.

For information call Judy at 395-0957 or Louise Portalski Gutowski at 395-1317.

Sophs Open At Barrington

The Antioch Sophomore Basketball team is working hard preparing for the coming season. They will open their season Nov. 28, 29 and 30 when they participate in the Barrington Tournament. Antioch will play Barrington, Elgin-Larkin and Cary-Grove.

Members of the team are: Rick Dauck, Drew Dietz, John Grippando, Pat Houghton, Peter James, Fred Malecki, Scott Nohava, Don Norwick, Terry O'Brien, Steve Pilcher, Jim Peterson, Doug Schrieber, Mark Stewart and Martin Witt.

ABC's of Travel

Of late, all one hears about is the increase in prices, and that goes for air, train and ship travel.

However, there are still a few bargains for those of you who know to ask for them, or if you go to your travel agent and request the cheapest way of travel.

Once again we have a promotional air fare to Florida which is priced about \$50 below the normal day coach fares. In order to take advantage of this new low fare, an advertised air tour for land arrangements must be purchased for at least \$50.

The fares are effective through Dec. 16 and travel must originate southbound on Thursday or Friday, and the return must be on the following Sunday or Monday.

Apaches Open Season

The Antioch eighth grade basketball team enters the 1974-75 season with an optimistic outlook.

The Apaches will be led by the tandem of Ed Murphy and Roger Korjenic, two 5'8" front liners. Scott Leland is counted on heavily to use his 5'7" frame to snare plenty of rebounds. Playmaking and outside shooting will come from Jack Fields, Mark Biel, Rich Zeman, Ted Poulos and Darren Houghton. Steve Dauck will fill in at forward, while Tim Haviland

will be used mainly as a defensive ball hawk. Tom Surrock, Boro Reljic, Steve Haley, Bob Kelley and Mike Wencka will roundout the team. Rod Inman will handle the managerial duties.

Chris Oddsen, a 6'1" center, with a promising basketball future is lost to the team for the season due to knee surgery.

The Apaches open the season at home, Thursday, Nov. 21, against Oakcrest of Waukegan at 4 p.m.

'Mat Maids' Selected

Twelve "Mat Maids" have been chosen at Antioch High School.

The girls will keep score at wrestling matches, serve as ushers and sell concessions.

The "Mat Maids" are Venetian Millsop, Lori Nathan, Pati Mizar, Sandy Witthuhn, Louette Landt, Sue Hart, Sue Manning, Melmie Kisner, Rosline Scheske, Jan Cardiff, Lori Larsen and Janet Hess.

The Fitzroy Cocktail of the Australian "out back" consists of methylated spirits, ginger beer and one teaspoonful of boot polish!

Tough Openers For Wrestlers

The Antioch High School wrestling team opens its season this weekend, traveling to Mundelein for a 6:45 p.m. match on Friday and to Harvard for a 1 p.m. contest on Saturday.

"These are the toughest early-season openers we've ever had," said Varsity Coach Ted DeRousse. "Mundelein has long been recognized as a Lake County wrestling power and Harvard has 10 of 12 starters back from the team that placed third in last year's small-school state tournament."

The Sequoias appear ready to meet the challenge, but early-season weight problems will prevent the team from using its strongest wrestlers.

"We have eight lettermen but three are in the same weight

class and two are in another," DeRousse explained. "This will be a problem until the team settles out by weight classes."

The three lettermen in the same weight class (132) are Dave Kisner, Dave Severson and Dennis Thain. Art Meyer and Dale Eastman are both returning and are at 185 pounds.

Brian Pardan, Steve Olsen and Scott Shaffer are the other returning lettermen. Shaffer finished the season strong by finishing sixth in the state tournament and is considered a challenger for top state honors this year.

A fine junior squad that was 18-1 as sophomores, plus three non-lettering seniors, round out the squad of 30.

LINDENHURST NEWS

By SANDI CHRISTMAN

The Teen Theatre Group of Lindenhurst will present Noel Coward's play, "Blythe Spirit," this Thursday and Friday at the Civic Center, 1949 Old Elm Rd.

Curtain time for both performances will be 8 p.m. and tickets will be available at the door, \$1 for adults and \$.50 for children.

"Blythe Spirit," a light-hearted play about a writer who becomes haunted by the ghost of his deceased wife, stars Cindy Barryman, Judi Kleffner, Mark Wolf, Dave Krastel, Pam Easley, Joellen Cassidy and Midge Mount. Helping with lights, makeup, props and refreshments are Scott Gibbons, Bobby Schneider, Donna Mount, Ginny Mount, Carol Cassidy, Ruthmary Cassidy and Cindy Kleffner.

The play is being sponsored by the Citizen's Recreation Committee with the backing of the Lindenhurst Men's Club but all work has been done by the Teen Theatre Group members with a minimal amount of guidance from Mrs. Louanne Cassidy, who helped the group organize.

Any student living within the village of Lindenhurst who would like to join or obtain information about the group can call Mrs. Cassidy at 356-2544 after 6 p.m.

THE LAKE LAND Welcome Wagon is sponsoring a Country Auction and Bazaar at the Community Center in Grandwood Park on Hutchins Road Dec. 9 at 8 p.m. Admission is free and a variety of homemade items, suitable for Christmas giving will be sold. A great way to get some of the holiday shopping done without the usual shopping hassel.

THE CITIZEN'S Recreation Committee (CRC) has reorgan-

ized and is preparing summer programs for the children of Lindenhurst. Several family-oriented events are included.

Officers for the coming year are Paul Epner, director; Mrs. Jonee Paul, assistant director; Mrs. Margo Holbo, treasurer; Mrs. Jan Marricle, recording Secretary, and Mrs. Joan Bodenlos, corresponding secretary. Committee chairmen are Mrs. Pat Clark and Mrs. Lou Belli, programs; Mr. and Mrs. Ron Gorsky, special events; Mrs. and Mrs. Ed Behne, ways and means; Mrs. Peggi Larson, parks, and Mrs. Sandi Christman, publicity.

The CRC will hold a public meeting at the new village hall on the third Tuesday of each month at 7:30 p.m. Village residents are urged to attend and submit constructive input. They also are encouraged to join the volunteer group.

The group's main purpose is to work toward the development of parks and programs within the village and to help maintain the environmental quality of the village.

The CRC, with backing from the Lindenhurst Men's Club, has established Santa's hours for chatting with the children at the Ben Franklin Store in Linden Plaza. Santa will be on duty from 6 to 8 p.m. on Friday, Dec. 13, and from 1 to 5 p.m. on Saturday and Sunday, Dec. 14 and 15.

A photographer will be on hand to snap a picture of Santa and the family for those who are interested. The price per picture will be \$1.50, with delivery at that time.

THE SPECIAL Events Committee of the CRC has reserved Steitz's resort on Bluff Lake in Antioch for a night of tobogganing on Wednesday,

National Crime Commission Gets New Secretary

The Lake County Citizens Crime Commission's operating director, Phyllis B. Stevenson, has been named secretary of the National Association of Citizens Crime Commissions, at its annual convention in New Orleans this week.

Mrs. Stevenson will also serve as a member of the executive committee of the National Association of Citizens Crime Commissions, which is now planning a nationwide program of advice and technical assistance to other communities seeking to establish a citizens crime commission in their area.

The Lake County Citizens Crime Commission is seeking more volunteers to participate in the Court Observer project in Lake County. Persons interested in becoming volunteer court watchers may call the Commission's office in Waukegan at 244-3845, or write Box 201, Post Office, Waukegan.

Jan. 22 from 7 p.m. till? The resort will be open to Lindenhurst residents only and admission will be \$1 per person. Toboggans are available for rent.

Registration will be at the Village Hall, 2301 East Sand Lake Road, in person or by mail to the attention of the CRC. Registration will close on Monday, Jan. 20.

TWO NEW programs are also being formed for village residents interested in either chess or gourmet cooking.

Mr. Jack Lief is looking for residents interested in either learning the game of chess or participating in tournament play. The group will meet one night a week and is open to all ages. Specifics will be determined by those interested. Anyone wishing information should call Mr. Lief at 356-2630 after 6 p.m.

For the gourmet club, residents should contact Mrs. Bivian Marr at 356-2662 for details.

THE PROGRAMS Committee is looking for ideas as to what programs to offer next summer for children. Adult programs will be made available if suggestions and interest is shown. All suggestions should be turned into the village hall to the attention of the CRC, either in person or by mail.

The committee is also looking for anyone interested in teaching a class this summer at a nominal wage. Persons wishing to apply as teachers are asked to write the CRC in care of the village hall, 2301 E. Sand Lake Rd., stating their qualifications and craft.

The Prince of Peace Women's Club of Lindenhurst will hold its Christmas Party at its Wednesday, Dec. 4 meeting.

The program will be presented by Mrs. Val Kivett's Junior Girl Scout Troop. The girls will present a skit entitled "Love

Thy Neighbor." The Women's Club sponsors the troop.

Mothers of Junior Girl Scout Troop members are invited to attend the meeting and participate in the festivities.

Members will have a \$2 gift exchange and will enjoy a pot-luck supper.

Prince of Peace will hold an "Upper Classman Dance" for the schools' 7th and 8th graders on Thursday, Nov. 28. Members of the CCD classes are invited to attend if they are in the 7th and 8th grades. For further details call 356-3459.

A DAY TO COUNT OUR BLESSINGS

"The way we worked to build the Zion Nuclear Power Station saved over \$100 million."

"That's one of the ways we're keeping costs just as low as we can."

Dick Cosaro is chief project engineer at our Zion nuclear station.

"When you have a project this big, your budget has to have some give and take. But you do have a set of standards to go by. When we build a power station, we measure the cost of labor in terms of man-hours per kilowatt of capacity. The typical figure for a big nuclear generating station is over 8 man-hours per kilowatt. But the figure at Zion was only 5.2. That comes out to a saving of over 100 million dollars."

"People ask me how we did this."

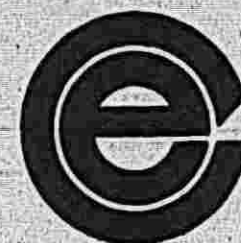

"Well, for one thing, it wasn't by cutting corners. Part of the answer, of course, came from good engineering and smart planning, from using standardized procedures and pre-built modules when we could."

"But there were no technological breakthroughs, there were no miracles. The real secret was just plain hard work. Just a lot of people doing the best they can to get the job done."

"It took over five years and at times as many as 1,850 dedicated construction workers, technicians and supervisors to complete this job. Five years. That's a pretty fair chunk of a man's life."

"But with so many construction jobs coming in at record high prices these days, well, it sure feels good to bring in a big project the way we brought in Zion."

Commonwealth Edison

HERBERT H. BRESEMANN, 57, of Lindenhurst passed away Tuesday, Nov. 12 at St. Therese Hospital in Waukegan. He was born Aug. 29, 1917 in Chicago, and resided in Bellwood, Ill. for 2 years before moving to Lindenhurst 19 years ago. He is a member of St. Marks Lutheran Church in Lindenhurst, where he had served 2 terms on the council, ushered, taught Sunday School, and was on the committee for the St. Marks Scouts Troop. He holds membership in John Beulick Post No. 984 of the American Legion of Bell & Howell Co. at Lincolnwood. He was employed for 38 years by Bell & Howell Co. at 7100 No. McCormick in Chicago in the service department. He married Margaret Miller on Aug. 16, 1947 in Chicago.

He was preceded in death by 1 sister.

Survivors are his wife Margaret "Peg" Bresemann; 2 daughters Mrs. Peggy (David) St. John of Ingleside and Miss Judy Bresemann of Lindenhurst; 1 son David Bresemann of Lindenhurst; 2 brothers and 1 grandchild.

Funeral services were held at 1 p.m. Friday, Nov. 15, at St. Marks Lutheran Church in Lindenhurst. Rev. Roger L. Pittman officiated. Interment was in Concordia Cemetery at Forest Park, Ill. Memorials may be made in memory of Mr. Bresemann to St. Marks Lutheran Church.

WILBERT T. HOLMQUIST, 72, of 1721 Golf Road, Waukegan, passed away Thursday, Nov. 14 after a long illness. He was born Oct. 23, 1902 in Chetek, Wis., moved to Waukegan in 1910, then to Bristol in 1949 and moved back to Waukegan in 1966. He served in the U.S. Marines, and is a member of Smith Spaid Veterans of Foreign Wars Post No. 1293 in Waukegan. He was a registered Professional Engineer for Gray Engineering and for A.A. Products in Rockford until he established Holmquist Engineering in Waukegan. He married Ethelyn Staats on March 17, 1942 in Newport, Ky. He was preceded in death by his parents, a brother and a sister.

Survivors are his wife Ethelyn, 2 sisters and several nieces and nephews.

Funeral services were held at 2 p.m. Saturday at the Strang Funeral Home in Antioch. Rev. Philip O. Laurin of St. Stephens Lutheran Church officiated. Interment was in Mt. Hope Cemetery in Newport Township.

VICTORIA PYZIK, 77, of Lake Shangri La, Subdivision, Antioch, passed away Monday, Nov. 18, 1974 in Kenosha Memorial Hospital, Kenosha, Wis. She was born Jan. 24, 1897 in Poland and came to America in 1913 settling in Chicago and living there until moving to Lake Shangri La in 1959. Mrs. Pyzik was a retired taylor. She married Joseph Pyzik on Nov. 10, 1917 in Chicago.

Survivors are her husband, Joseph, 1 son Richard V. (Ann) Pyzik of Chicago, 1 daughter Mrs. Jeannette (Curtis) Stout of Antioch and 1 grandchild.

Funeral services will be held Wednesday, Nov. 20 at 11 a.m. at the Strang Funeral Home, Antioch. Interment will be in Liberty Cemetery, near Antioch. Friends may call at the funeral home after 2 p.m. Tuesday.

OLIVIA M. MATTSON, 73, of Chicago, died Saturday night, Nov. 9, at Martha Washington Hospital in Chicago following a brief illness.

She was born Feb. 19, 1901 in Michigan and lived in the Lake Villa area for many years before moving to Chicago two years ago to reside with her daughter. She was a member of the Fox Lake Baptist Church and was active in their Women's Missionary Society. Mrs. Mattson graduated from the Northwestern Bible and Missionary Training School in Minneapolis in 1925.

She was preceded in death by her husband, Bernhard in 1972. She is survived by two daughters; Mrs. Phyllis Heilman of Chicago, Miss Fern Mattson of Spain; two sons, Kenneth Mattson of Antioch and Paul Mattson of Zion. She is also survived by six grandchildren.

Funeral services were held at Ringa Funeral Home in Lake Villa and interment was at Fox Lake Cemetery. Memorials may be made in her memory to the Fox Lake Baptist Church for Missions.

Jehovah's Witnesses Convene In Illinois

Antioch, Illinois area minister, David L. Mitchell, announced that Jehovah's Witnesses are looking forward to convening with ten other Illinois and Wisconsin congregations at Elgin, Illinois' beautiful new civic auditorium, the Hemmen's Memorial Building, 150 Dexter Court, on Saturday, Nov. 30 and Sunday, Dec. 1. The public is welcome for any of the sessions, beginning Saturday at 9:55 a.m., but is particularly invited to hear the Sunday 2 p.m. discourse "What the Near Future Holds."

Mr. Mitchell said that while the facilities are excellent, the real incentive for the delegates' attendance is "what we call a spiritual paradise." He referred to the Bible theme of the convention "What Sort of Persons Ought You To Be?" as a prevailing attitude of the Witness delegates toward self-improvement before making demands on others.

Eye Donors Needed

A growing list of blind or near-blind Illinois citizens waiting for eye tissue that could restore their sight has added a special urgency to the need for donor eyes.

Dr. Maurice Robb, medical director of the Illinois Eye Bank, estimated that more than 100 Illinois citizens are on the current list for corneal transplants.

"Citizens, sympathetic to the plight of those youngsters and adults needlessly forced to spend their lives in darkness, can help in two ways," Britton explains, "One, they can write the Illinois Society for the Prevention of Blindness, 220 South State Street, Chicago, Illinois 60604 and obtain an Eye Donor card that expresses their desire to pledge their eyes when they will no longer be needed. Or, if a member of the immediate family should die, they can remember the need and notify either the attending physician or the Eye Bank." A new Illinois law permits any member of the immediate family to authorize the removal of eyes to be used in transplants. This must be done, of course, within a few hours after death so that the tissue will still be usable.

CHRISTIAN SCIENCE CHURCH

In the Bible in St. Matthew 15 we read of Jesus' healing of the multitudes of those that were lame, blind, dumb, maimed and many others: proving the nothingness of disease.

In the Lesson-Sermon entitled "SOUL AND BODY" this Sunday at First Church of Christ, Scientist the first reader, Mrs. Barbara Conzelman reads from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy, this commentary: "The immortality of Soul makes man immortal. Man cannot be separated for an instant from God, if man reflects God. Thus Science proves man's existence to be intact."

Everyone is invited to attend the services at BEACON HILL, Rt. 173 and Harden, Antioch, Ill. at 11 a.m.

Village Board Supports Referendum

The Antioch Village Board Monday night, with the exception of Trustee Marge Nelson, went on record as supporting the Dec. 14 grade school referendum.

Grade School District No. 34 is asking voters to increase the educational tax rate by 45 cents per \$100 of assessed valuation.

Mrs. Nelson was the only member of the village board who said she didn't want her name attached to the endorsement.

IN OTHER ACTION, the board turned the proposed sign ordinance over to the Zoning Board of Appeals, which will set a date for a public hearing.

The 40-page document regulates the size and location of advertising signs in the village. If passed, signs protruding from buildings and perched atop roofs eventually will be eliminated.

The 40-page document regulates the size and location of advertising signs in the village. If passed, signs protruding from buildings and perched atop

roofs eventually will be eliminated. Signs that violate the ordinance would be removed within three years.

The board approved a new format for the village zoning map. The new design makes it easier to determine lot lines.

THE BOARD also authorized Clerk Marilyn Sterbenz to advertise for bids on a new public works storage building at

the village garage on Turner Dr. Bids are to be opened at 8 p.m. on Dec. 2. That's the next meeting of the board.

The trustees also authorized the purchase of safety equipment for village employees. Included are fire extinguishers and a gas oxygen detector with a built-in alarm.

The village Planning Commission will meet again on Thursday, Dec. 5 at 7:30 p.m.

Trevor Woman Wins TV Set

A Trevor woman, Mrs. Olaf (Mary) Olsen, won the color television set in the prize drawing following the Antioch Plaza Shopping Center's 10th anniversary "Sell-A-Bration."

The \$100 worth of groceries were won by Harold Clark of Rt. 4, Box 55, Antioch, and the \$100 humidifier by Mrs. Ann Streit of 514 Sunset Vale, Twin Lakes.

Shoppers flocked to the Plaza during the three-day anniversary celebration last Thursday,

Friday and Saturday. They registered for prizes in the 12 participating stores.

Mrs. Olsen and her husband are retired. They live on Valmar Drive in Trevor. In addition to the \$470 television set, they get a one-year parts and service guarantee.

POLICE DESK

BOMB THREAT AT HIGH SCHOOL

Local police received three telephone calls Monday morning, between 8:14 and 9:07 o'clock, and got such warnings as, "There is a bomb at the Antioch High School," and "In 15 minutes the high school is going to blow up." All three calls apparently were made by the same young man. The school was evacuated with a fire drill and no explosives were found in the building.

BURGLAR CAUGHT AT ANTIOCH BOWL

A burglary suspect was captured by police at the Antioch Bowling Lanes about 4 a.m. Tuesday. An alarm signalled police and Officer Stanley Revell, on routine patrol in the area, secured the building until county and state patrols arrived. The suspect was found hiding in a locker room and was taken to the Lake County jail.

TWO TRUCKS BROKEN INTO

Two owners of trucks reported separate incidents in the last few days of their vehicles being broken into. In both cases a wing-vent window was forced open. Robert Markwart of Rt. 3, Box 819, said his truck was parked in the municipal lot on Broadway between 9 and 11 p.m. on Sunday. A Remington pump gun valued at \$850 was taken. Charles Hart of 780 Main St. said several items were taken from his truck. On Friday, Gene R. Williams of Lake Villa told police that a window was smashed on his car parked in the Regal China lot on North Ave. and a tape deck was removed.

AQUA CENTER BURGLARIZED

A burglary was reported at the Antioch Aqua Center. A door to the pump house was smashed and a storage shed door was broken open. Two wheels were removed from a tractor in the storage shed. Both doors were badly damaged and must be replaced.

Your Police and the Community

By SUE SEDIVEC

Community Relations Officer

With the cooperation of the Lake County sheriff's office and our police department, we can report the recovery of two bicycles stolen from the driveway of an Antioch residence.

This cooperative effort signifies an important concept in police work, just as it is necessary for any organization to have a communal effort to achieve a satisfying goal.

The pertinent information on the stolen bicycles was received at our department from the owners, via our dispatcher. This information was transferred throughout Lake County and Illinois through specialized means of communication.

Someone in the county community (a concerned citizen) found the bicycles and notified the sheriff's department. By checking the serial numbers, it was discovered they were the bikes stolen in Antioch.

The operation doesn't always run this smoothly, unfortunately. Bicycle owners don't always keep a record of serial numbers and most people won't get involved and report found bicycles.

Cooperation, the name of the game, can benefit any organization when all parties participate.

I guess if people would only realize that our United States of America organization can only survive through cooperative efforts in all areas of living, we would all be a little happier with ourselves and other people, too.
